Dear Al:

I would like to extend my sincere congratulations to you on your successful climb to the top of Mount Everest.

Your humble attitude, dedication and commitment are an inspiration for us all. I hope you have the opportunity to speak with the many youth of this community to give them the motivation to realize that their goals and dreams can be achieved if they just try. Your unconquerable spirit serves as an example for this community to follow.

Again congratulations, I wish you continued success.

Sincerely,

Brian Jean M.P.
